Treasurer's Report: We have vouchers totaling $30.00 for Maps from the Resort Tax Committee taken to Chrysler and Gordon CPAs...
Resort Tax Committee: No report
Lake County Planning: Leslie noted her meetings will be May 2, 2008 and May 16, 2008 at 9:00 am at Saddlehorn Discovery Tower. The public meetings for summer will be either July 23, or 24 or August 13 or 14 2008 depending on availability of a site. She is hoping to have draft regulations by this summer but it is not looking too good.
Vision Committee: Their next meeting will be held May 5, 2008 12:00 pm at Saddlehorn Discovery Tower. Craig reviewed again for everyone all the committees he has set up that the Vision Committee wanted. However some of them are summer people and are not back in town. Some of these projects require funding and Craig has also asked that the Vision Committee to see how they can help with the search for alternative funding.
Stormwater Committee: The next public meeting is April 23, 2008 Wednesday at 7:00 pm at United Community Methodist Church, 750 Electric Ave. Bill Buxton of the Engineering Firm, Morrison-Maierle will be returning to finish the report and then to talk about improvements. Sue also mentioned a webcast that she watched for 2 hours on retrofitting an established system. It is much less expensive than digging everything up and replacing with new equipment. She also has been working with Tom Lewis in putting a stormwater page on the website www.bigforksteering.org. There was also a discussion on the large amount of grants available during a Federal Election year.
Chairman's Report: Craig announced the DNRC will be giving us a presentation on their activities probably in June at an evening meeting. Again we are waiting for our summer residents to arrive so that some of them can attend.
Old Business: Craig explained during the Vision Committee's report that a lot of money in our treasury is ear marked to print copies of the finished Bigfork Neighborhood Plan. These copies need to be given to the people who bought and paid for the first version almost 3 years ago at the CFBB Garden Bar Auction.
New Business: None
