CALL FOR QUOTES

Notice is hereby given that sealed quotes for snow plowing services for the County on pedestrian/bike paths will be received by **3 p.m. local time on October 23, 2015** by the Flathead County Road Department, 1249 Willow Glen Drive, Kalispell, MT.

The work contemplated consists the following:

Plowing of snow from pedestrian/bike pathways after any snowfall of two inches or more. The pathways will be plowed within 12 hours of the time that snowfall ends when two inches or more of snow accumulates. Contractors will provide quotes on a "per plow" basis for the entire length of the trail(s) shown below.

The routes to be plowed are listed below. Maps may be obtained from the office at the Road Department. Contractor may place quote for one or more pathways to be plowed. The Road Department reserves the right to award the paths to multiple contractors if it determines that is in the best interest of the County or award all paths to a single contractor.

List of Pedestrian/Bike Paths

Helena Flats Snow Plow Route

Notes:

Plow route is 1.10 mile in total length.

(.75 miles between Rose crossing and north boundary of Camelot Estates subdivision on west side of Helena Flats Road, along north edge of Camelot Estates subdivision for .10 mi., along west side of Alpine Lane for .25 mile to intersection of Alpine Ln and e. Reserve.)

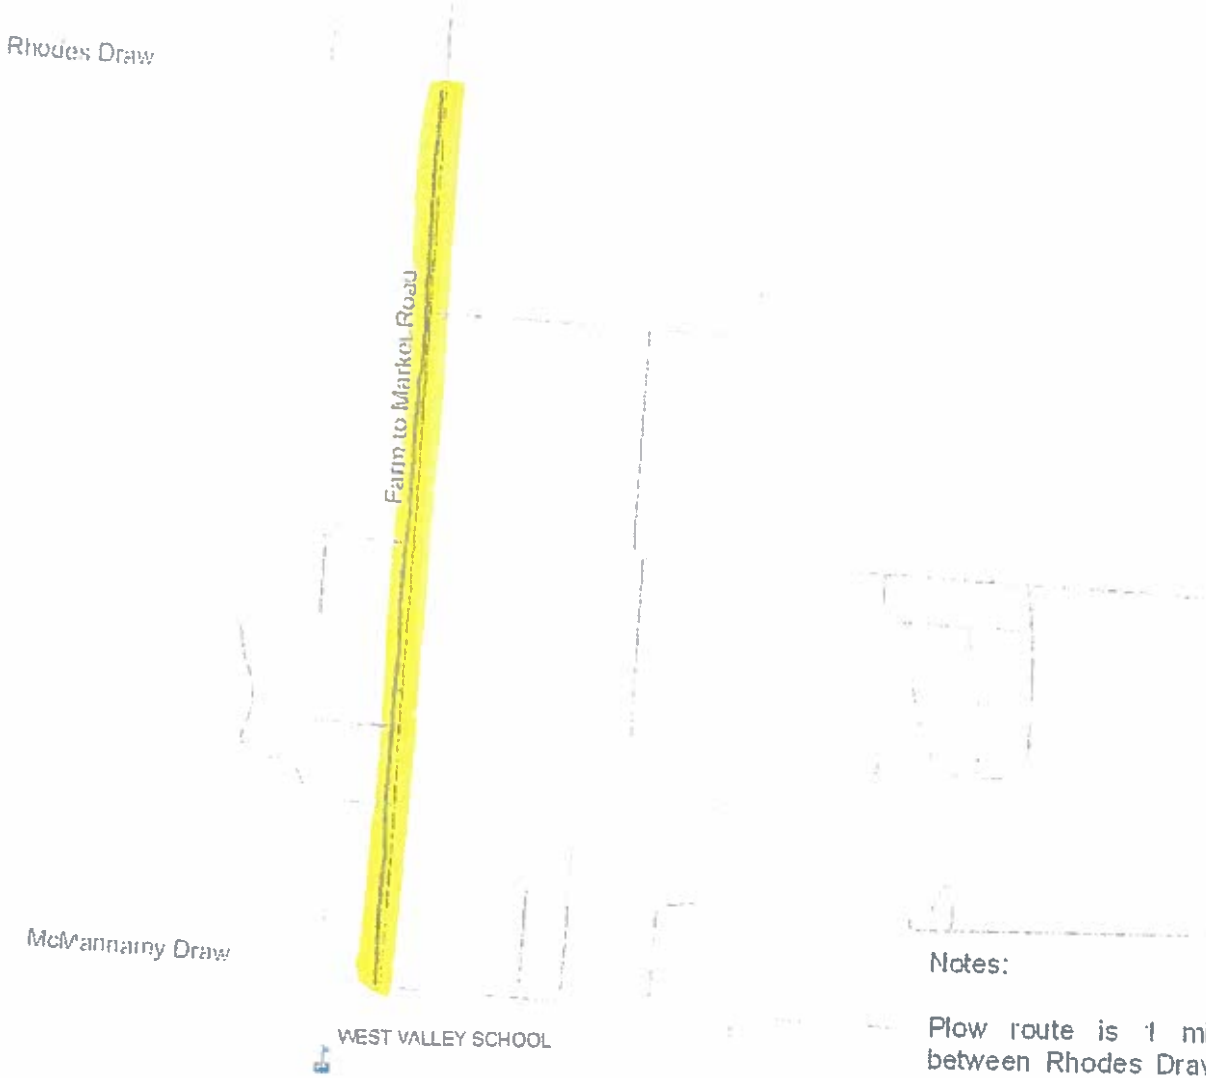
East Evergreen Snow Plow Route

Notes:

Plow route is 1 mile in length between Hwy 2 and Helena Flats Road along path located on north side of East Evergreen Drive.

Coordinate as needed with Flathead County Road and Bridge regarding snow removal due to potential conflicts with road/path plowing.

West Valley Snow Plow Route



Notes:

Plow route is 1 mile in total length between Rhodes Draw and McMannamy Draw on path along west side of Farm to Market Road.

Kila Snow Plow Route

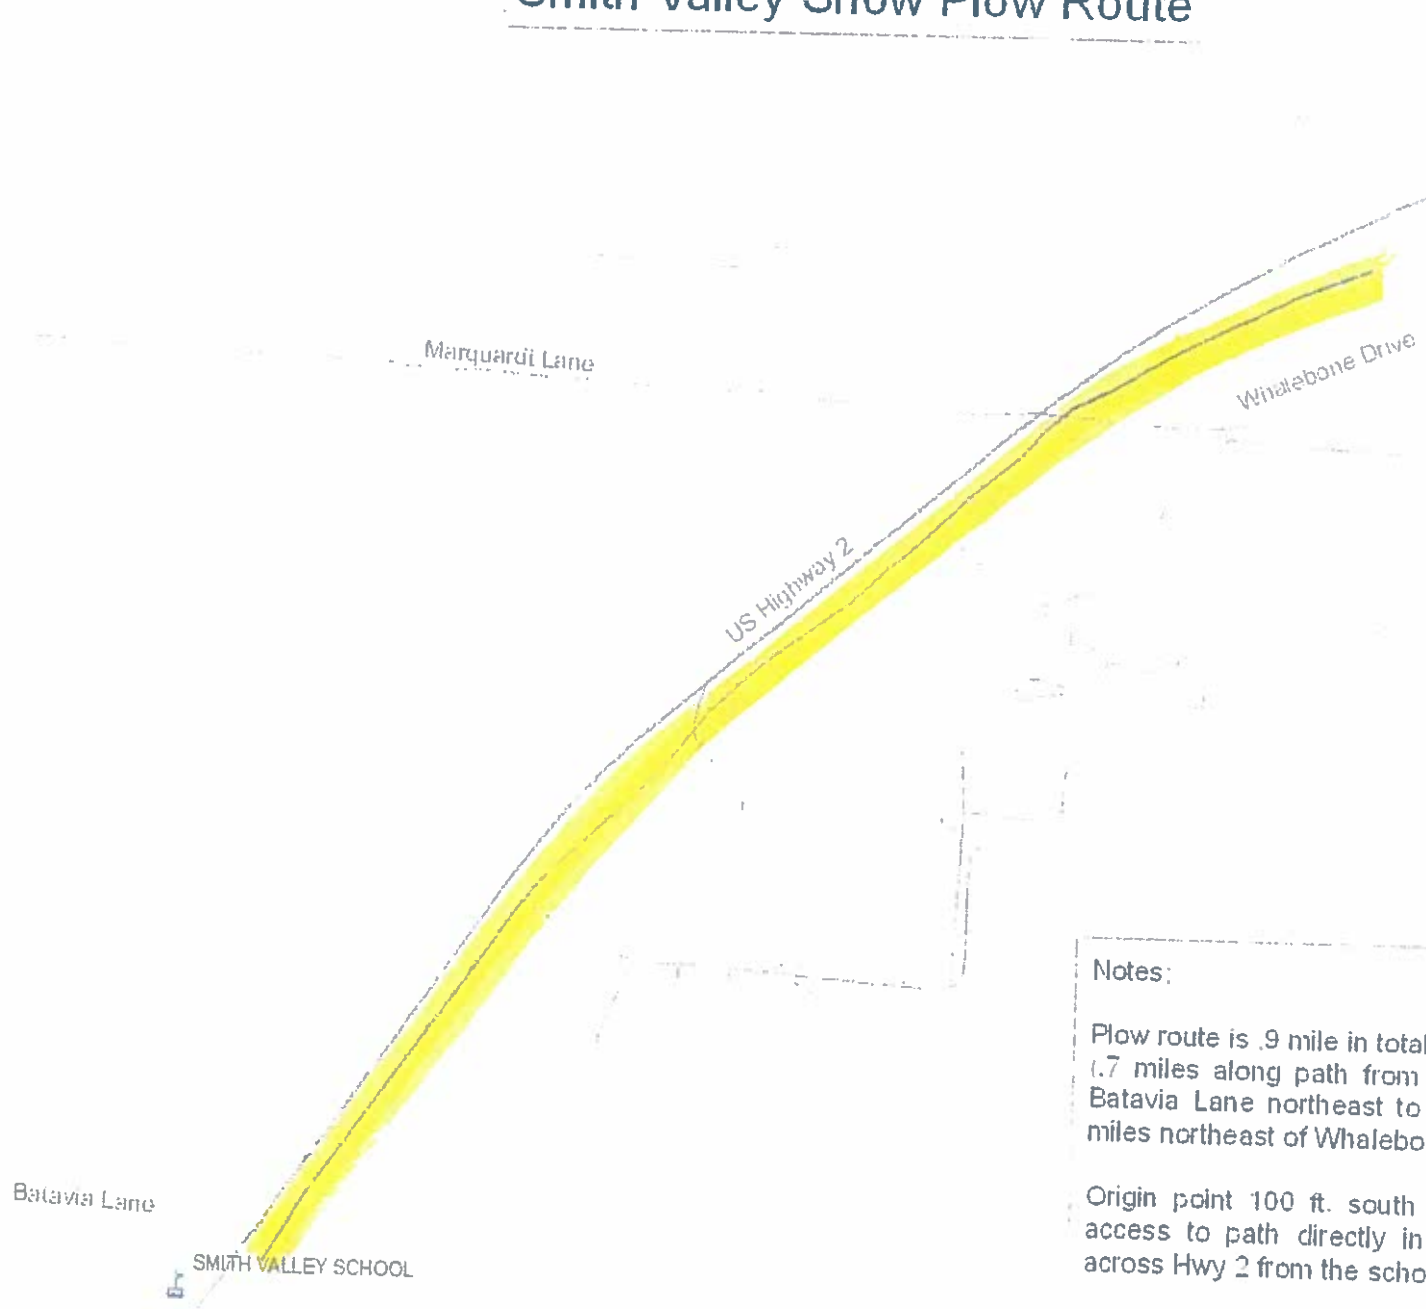
Notes:

Plow route is 1 mile in total length southward from Kila School to intersection of Kila Road and Smith Lake Road along path located on the east side of Kila Road.

Access to crosswalk across from school must be plowed and remain unobstructed.

There may be unreasonable difficulty along southern portion of route due to sidecast snow deposition from Kila Road plowing. Please coordinate efforts with Flathead County Road and Bridge Dept. as needed.

Smith Valley Snow Plow Route



Notes:

Plow route is .9 mile in total length.
(.7 miles along path from a point 100 feet south of Batavia Lane northeast to Whalebone Drive and .20 miles northeast of Whalebone Drive)

Origin point 100 ft. south of Batavia Ln offers safe access to path directly in line with existing x-walk across Hwy 2 from the school.
