River Horse on the other hand was never developed and has since expired. He noted the project is a small project of 16 units that calls for a deceleration lane on Trumbull Creek Road. Grieve stated he reviewed the area with the Road Department where the deceleration lane was to be built and sees no need for it.

Commissioner Lauman made a **motion** to release collateral for Whitefish River Ranch. Chairman Dupont **seconded** the motion. **Aye** – Dupont and Lauman. Motion carried by quorum.

WEDNESDAY, APRIL 27, 2011

The Board of County Commissioners met in continued session at 8:00 o'clock A.M. Chairman Dupont, Commissioners Lauman and Holmquist, and Clerk Robinson were present.

Chairman Dupont opened public comment on matters within the Commissions' Jurisdiction.

Edwin X. Berry presented a packet of information to the commission along with the following formal complaints. He cited state law (MCA) with his complaints, which he stated, is probable cause for dismissal of every trustee currently serving.

I appear before the Flathead County Commissioners today to register a formal complaint against a Trustee of Flathead Valley Community College due to dereliction of his duties pursuant to Montana Code MCA 20-15-205.

The FVCC has not properly announced openings for trustee nominations in 2011 and probably never.

I offer as evidence the only relevant public notice issued by FVCC prior to April 4, 2011. This public notice fails to satisfy MCA 20-15-205 in that it is (a) an announcement of the election rather than an announcement of trustee nominations, and (b) it did not run for 3 consecutive weeks.

This indicates the FVCC Trustees have not properly done their duty and according to MCA 20-15-228, this is grounds for their removal.

It is your duty to act on this complaint in a timely matter and I respectfully demand that the Flathead County Commissioners commence a **TIMELY** legal action and investigation into this allegation and that the results be made **PUBLIC** at the next available meeting scheduled for this purpose.

I appear before the Flathead County Commissioners today to register a formal complaint against a Trustee of Flathead Valley Community College due to dereliction of his duties pursuant to Montana Code MCA 20-15-205.

The FVCC has not properly announced openings for trustee nominations in 2011 and probably never.

I appear before the Flathead County Commissioners today to register a formal complaint against a Trustee of Flathead Valley Community College due to dereliction of his duties pursuant to Montana Code MCA 20-15-226 and 20-15-228.

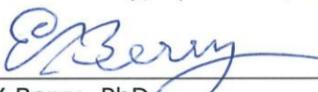

The FVCC trustees have improperly used the photos owned by the FVCC website on their personal campaign literature.

I offer as evidence the FVCC trustees website and a copy of the incumbents' advertisement and brochure, both of which use the same photos.

This indicates the FVCC Trustees have not properly done their duty and according to MCA 20-15-228, this is grounds for their removal.

It is your duty to act on this complaint in a timely matter and I respectfully demand that the Flathead County Commissioners commence a **TIMELY** legal action and investigation into this allegation and that the results be made **PUBLIC** at the next available meeting scheduled for this purpose.

I appear before the Flathead County Commissioners today to register a formal complaint against a Trustee of Flathead Valley Community College due to dereliction of his duties pursuant to Montana Code MCA 20-15-226 and 20-15-228.

The FVCC trustees have not performed proper audits of the FVCC accounting transactions. A proper audit would follow all the FVCC money that flows through the accounts of Glacier Bank and Rocky Mountain Bank.

I offer as evidence a copy of the last audit that Chairman called "pristine" which is only an audit to count dollars, not to follow where the dollars go.

This indicates the FVCC Trustees have not properly done their duty and according to MCA 20-15-228, this is grounds for their removal.

It is your duty to act on this complaint in a timely matter and I respectfully demand that the Flathead County Commissioners commence a **TIMELY** legal action and investigation into this allegation and that the results be made **PUBLIC** at the next available meeting scheduled for this purpose.

WEDNESDAY, APRIL 27, 2011
(Continued)

I appear before the Flathead County Commissioners today to register a formal complaint against a Trustee of Flathead Valley Community College due to dereliction of his duties pursuant to Montana Codes (MCA 20-15-205, MCA 20-15-223, MCA 20-15-227 & MCA 20-15-228).

The FVCC Trustee's name in this complaint is Thomas McElwain who is currently serving out a 3 year term representing the Flathead / Glacier district

I further offer as evidence the official public minutes of Board meetings where this trustee is absent or is participating via long distance telephone calls.

It is well known by many members of the community that this person leaves the area during the winter months to reside out of state, which is in direct violation of the Montana law cited above.

It is your duty to act on this complaint in a timely matter and I respectfully demand that the Flathead County Commissioners commence a **TIMELY** legal action and investigation into this allegation and that the results be made **PUBLIC** at the next available meeting scheduled for this purpose.
