**And last but not least, thank you to the members, leaders, & parents who made this year's Fair the best yet. Flathead 4-H is truly proving that 4-H is Making the Best Better!**

## Thank You Gardner's RV & Trailer Center

We would like to give our sincerest thank you to Gardner's RV and Trailer Center for their support of the Flathead

4-H Program. This was the first year that the 4-H staff had a camper located in the trade center building to use as a temporary office space. The location was perfect, the camper was fabulous and it turned out to be the hub for all 4-H activities during the week. We greatly appreciate their generous donation. Thank you!!!!

## Horse Committee Meeting

The next horse committee meeting will be held in the Extension Office on Tuesday, September 21st at 5:30 p.m. A recap of the Fair events, future plans and dates will be discussed. Please call Wendy Haagerup, Horse Committee President, if you'd like an agenda item added. 257-1868

## Project Award Interviews

All 4-H Members who have completed record books for the 2009-2010 4-H year are eligible for county project awards.

**Here's how it works:** Applications can be found on our website and in the Extension Office. You may select as many as **four** project areas to interview in. An example of project areas would be sheep, beef, swine, foods, sewing, woodworking, etc..... Therefore, you will not specify both market lamb and sheep breeding if you do both, you would simply list sheep as the project area. Next, fill out the form and turn it into the Extension Office by Tuesday, October 26th, 2010. Interview will be held on Wednesday, November 3rd from 3:30 to 6:00 p.m. Bring your 4-H Books and Records to the Extension Office during the interview times designated and we will have one on one interviews on a first come first served basis. Remember to dress as if you were going to a job interview. Volunteer 4-H Leaders will be interviewing the members. This is a great chance to talk about your project accomplishments and show off your record keeping skills. If this is your first time doing project interviews, you will receive a 4-H sash, to keep your project pins on. The first time you interview in a project you will receive a project pin, then in following years you will receive a year patch signifying each additional year that you do award interviews. Remember, this is an opportunity for all 4-H members. Please call the Extension Office if you need further information, 758-5553.

## Thank You to the Teen Council Members and Leaders

We would like to thank the Teen Council Members & Leaders for their hard work on not only the battle of the barns but also the 4-H/FFA Barn Dance. The dance was awesome and the battle of the barns was a big success. We appreciate all that you do. We also want to thank all those parents who volunteered time to chaperone the dance!! Couldn't have done it without you.

## Assignment Military Kids

Assignment Military Kids is an educational workshop for community members to help create a network to support military youth while their loved one is deployed. The workshop will be held on Wednesday, September

22nd on 11:00 am -2:30 pm, at the United Way Community Room located at the Gateway Community Center (formerly known as the Gateway West Mall) in the United Way Community Room. Lunch is provided. ## MT 4-H Leader's Forum

This year's MT 4-H Leader's Forum's Theme is Doing Time 4-H Style! It will be held at the St. Mary's Center in Deer Lodge, MT on September 24th and 25th, 2010. Friday evening will feature a tour of the Old Montana Territorial Prison with Ellen Baumler, author and Interpretive Historian for the Montana Historical Society. Ellen will weave us through the old prison as she talks of ghostly encounters and the whispering walls of the historic Deer Lodge Prison. We will finish up with a dessert social. Saturday will be filled with lots of great workshops, a skillathon, time to reconnect with old friends and will feature the Dillon Jr. Fiddlers at the banquet. Cost to register after September 1st is \$60. Registrations can be picked up in the Extension Office and would need to be mailed to Madison/Jefferson County Extension Office directly. **New this year: If you are a first time participant \$50 of your registration fee will be reimbursed to you after attendance thanks to a grant provided by Monsanto.** For more information, please call the Extension Office or stop by and pick up a form. Forms are also available on our website.

**We would like to thank VanDort Heating** for picking up a few fair awards that were dropped by former sponsors shortly before Fair. It was too late to add VanDort Heating's name to the Fair-book so we'd like to extend a special thanks to them for their generous support of our program.

## Thank You Procedure for All Large Livestock Members

After the sale is over and the things have calmed down we can't forget to thank our livestock buyers. When members come into the Extension Office or the FFA office, after the Sale, for their photo, they will find a form attached to the back of the photo. This form will have a place for your buyer to sign and date, as well as a place for the buyer to list what they received for a thank you. It is the members responsibility to have your buyer fill out and sign the form, and it is the members responsibility to return it to the Extension Office or your FFA Advisor by December 1st, 2010. Those who do not have their form returned to the Extension Office or a FFA Advisor by December 1st, will not be allowed to take an animal to the Fair the following year. **There will be no exceptions to this guideline.** If you receive your payment in the mail, it is still your responsibility to take a thank you and your photo to the buyer and have your form filled out. If you have any questions, please contact the Extension Office at 758-5553. It is important that we thank those who are so generous to our organizations. The success of the Livestock Sale depends on the kindness of those businesses and individuals in our community.

## Time to Turn in Records!

September 30th is the official end of the 2009-2010 4-H year. If you are an **independent member**, you must have your records and workbooks turned into the Extension Office no later than Thursday, September 30th, 2010 to be checked off.

Those of you involved in clubs need to speak to your 4-H Club leader to find out when your records are due. Anyone in a club must turn in their records to their Club Leader by the date that the Club leader stipulates, which usually is in the end of September or the beginning of October. Project records need to be completed in order to be eligible for market livestock projects in the upcoming year and various county trips and awards. For all Leaders, if you need a new club print out of your members and their projects, please contact us and we will print one out for you. We have gold seals and check off sheets ready in the office for you to pick up. Also remember, I can't put together award packets without a list from you stating which members in your club completed their 4-H year. If you have any questions, please feel free to call us at 758-5553.

## Attention Club Leaders: End Of Year Award Packets

Most clubs plan achievement night and year end award ceremonies in November. End of year award packets will be available on October 28th, 2010. To put these packets together, we need a list of all of the members in each club that have completed their 4-H year and should receive an award. Please bring or fax your list into our office as soon as possible. Our fax number is 758-5881. If you need a list of members, please call the office at 758-5553 and we will print one out.

## Enrollment Packets for Org Leaders and Independent Members

We are at the end of our 4-H year, so there is lot's of business to attend to. First off, Enrollment Packets will be available in the Extension Office on **Sept. 23rd, 2010**. If your club is meeting before that date, please contact Karole or Shelley to make other arrangements. For independent members, please come by the office after September 23rd to pick up your enrollment information for the upcoming year. All enrollments need to be turned in for your club and for independent members no later than **Wednesday, November 10th, 2010**. It is extremely helpful to receive a whole group of enrollments from each club on or before the due date, instead of individual enrollment forms over a period of months. Also, please pay close attention to the enrollment packets as there will be new information for members and revised enrollments for leaders this year. And remember that the Clover always has new and improved information about all of the projects that 4-H has to offer. We have lots so please distribute the Clovers to anyone interested in joining our program or current members who may be interested in starting a new project.
