- Presentations provided In July: Montana Institute of Massage; Flathead Valley Chemical Dependency Center; Pathways Treatment Center (2 presentations); Restorative Youth Justice; Juvenile Detention (2 presentations); Montana Academy; Samaritan House
- Presentations provided in August: Pathways Treatment Center; Restorative Youth Justice – 3 presentations – total of 7 hours providing the Street Smart Curriculum
- Staff continues to struggle with the EMR. We are making progress, but it has been a difficult transition.
- Staff completed 106 anonymous HIV tests in the first 6 months of 2010 (for the HIV Prevention Grant). We are not quite at 50% of the target.
- Jen McFarlane – educator in Family Planning has resigned her position. Jen was a great asset to the program and we will be working to fill her position with an equally qualified candidate.
