Join Us In Person: Alzheimer's Listening Sessions

Learn about Alzheimer's, dementia and memory loss in this brief community-focused listening session. We'll review the basics of these conditions, services of the Alzheimer's Association and how we can expand the reach of local programs and services. Bring a friend and share your thoughts about how the Alzheimer's Association can help more people in your community.

Tuesday, May 10 * 10:30 - 12:00 p.m.

A/B Conference Room of Earl Bennett Building, 1035 1st Avenue West, Kalispell
Pre-registration is requested. Contact Melanie Williams at 406-318-8242 or meawilliams@alz.org

Wednesday, May 11 * 9:00 - 10:00 a.m.

Parlor Room of Moss Mansion, 914 Division Street, Billings
Pre-registration is requested
Contact Kaela Imm at 406-303-4426 or kdimmm@alz.org

How is Alzheimer's Disease Diagnosed?

- To diagnose Alzheimer's, physicians may use medical history, mental status tests, physical and neurological exams, diagnostic tests and brain imaging. Concerned about memory loss or other problems? Learn about the importance of receiving an early diagnosis, what questions you should ask your physician, and how to get support after a diagnosis.
