

2014 Governor's Conference on Aging

May 6th and 7th

Red Lion Hotel, Kalispell, MT

The Kalispell Planning Committee invites you to be a **Luncheon Sponsor** for the **2014 Governor's Conference on Aging**, an educational event for aging services providers, caregivers, seniors and their families. The conference is funded by corporate and individual sponsorships, fund raisers and registrations. **Your support will help us provide two luncheons for the 250-300 conference participants.** During lunch on May 6, we will honor local centenarians who are or will turn 100 during 2014. Montana is one of the fastest aging states in the nation. Over the next 15 years, people age 65 and older will represent 25% or more of the population. Within the overall aging trend, the number of Montanans age 100 or more is increasing at an even greater rate. In 2013, the Governor's Council recognized 72 of Montana's 176 centenarians, 14 of whom attended the conference.

\$1,200 Gold Luncheon Sponsors receive:

1. A full page ad in the conference program book *
2. Three complementary registration
3. 6 ft. skirted display table, if desired
4. Recognition from the podium at both luncheons

\$850 Silver Luncheon Sponsors receive:
