MEETING W/ DEBBIE PIERSON, GRANT WRITER RE: DISCUSS GRANT ADMINISTRATION FUNDS FOR INTERMOUNTAIN/ CDBG GRANT AND DEQ 319 GRANT

Members present:

Members absent:

Commissioner Dale W. Lauman

Others present:

Assistant Mike Pence, Grant Writer Debbie Pierson, Finance Director Sandy Carlson, Brett Walcheck, Clerk Kile

Pierson reviewed procedures for distribution of administrative funds for grants and reviewed balances from 2009 forward.

Discussion was held relative to a grant tracking module available from CSA that would track money at a more in depth level than what can currently be done. Carlson stated she was given a quote of approximately \$12,000 for the software and proposes to put it into the FY12 budget. Pierson noted DEQ is willing to support the use of administration funds (\$8,000) from current DEQ 319 grant contracts with Flathead County toward purchase of the software.

The next topic discussed was whether or not to transfer DEQ grant administrative funds drawn from DEQ to the commission budget. Administrative funds received related to Flathead County's management of the Bigfork Stormwater Project will remain in the Bigfork Stormwater Project account to be utilized as necessary to implement project activities. Funds may be utilized towards post construction water sampling and testing to monitor the effects of the system improvements. Holmquist suggested that any funds remaining after the completion of the stormwater upgrades should be utilized for long term operation and maintenance of the system.

Also discussed was sponsorship of the FY 2012 CDBG grant application on behalf of Intermountain. Flathead County is willing to commit staff time for grant contract administration if the CDBG grant is successful. It is proposed at this time that no administrative funding be requested of CDBG in the grant application, so all funds can be utilized toward actual construction of the Providence Home in Somers. The grant will be collaboratively managed by Flathead County with support from Intermountain.

AUTHORIZATION TO PUBLISH NOTICE OF PUBLIC HEARING: SWAN PEAK HOMESTEAD PUD/ BIGFORK ZONING DISTRICT

[10:33:31 AM](#)

Members present:

Chairman James R. Dupont
Commissioner Dale W. Lauman
Commissioner Pamela J. Holmquist

Others present:

Assistant Mike Pence, Deputy County Attorney Peter Steele, Planning & Zoning Director B. J. Grieve, Planner Allison Mouch, Sharon DeMeester, Clerk Kile

Commissioner Lauman made a **motion** to authorize chair to sign the Notice of Public Hearing for Swan Peak Homestead PUD. Commissioner Holmquist **seconded** the motion. **Aye** – Dupont, Lauman and Holmquist. Motion carried unanimously.

NOTICE OF PUBLIC HEARING

The Board of Commissioners of Flathead County, Montana, hereby gives notice pursuant to Section 3.31.020.4 of the Flathead County Zoning Regulations, that it will hold a public hearing to consider a request by A&C Horn Trust, to approve a Planned Unit Development (PUD) in the Bigfork Zoning District.

The subject property is located north of Bigfork, between Bigfork Stage Road and Swan Hill Drive. The area proposed to be overlaid with a PUD is zoned R-1 (Suburban Residential), SAG-5 (Suburban Agricultural) and SAG-10 (Suburban Agricultural). It is located in Sections 29 and 30, Township 27 North, Range 19 West, P.M.M., Flathead County, Montana. It is described as Tract 4BAA and 4BA: Parcel A & B of Certificate of Survey No. 16588, located in the South half of the North half of the Southwest Quarter (S $\frac{1}{2}$ N $\frac{1}{2}$ SW $\frac{1}{4}$) of Section 30; Tract 5: the North Half of the Southeast Quarter (N $\frac{1}{2}$ SE $\frac{1}{4}$) of Section 30; and Tract 2C: the West half of the Northwest Quarter of the Southwest Quarter (W $\frac{1}{2}$ W $\frac{1}{2}$ NW $\frac{1}{4}$ SW $\frac{1}{4}$) of Section 29.

The proposal would overlay approximately 123 acres in its entirety, 120 of which are part of a proposed major subdivision. The PUD would enable the minimum lot size to be reduced in each applicable zone and would enable lots to be clustered on the western portion of the site. The reduction in minimum lot size would, in return, allow permanent open space to be set aside. A residential subdivision, consisting of 17 lots, is proposed on 50 of the 120 acres. The bulk of the remaining acreage, consisting of approximately 53 acres, would be placed in a conservation easement under the administration of the Montana Land Reliance. Approximately 8 acres would be dedicated as parkland and 9 acres would be utilized for internal subdivision roads and utility easements. Aside from the minimum lot size requirements, all permitted uses, conditional uses, bulk requirements, and dimensional requirements would comply with the underlying zoning classifications..

The regulations defining the PUD requirements and the R-1, SAG-5 and SAG-10 zoning classifications are contained in the Flathead County Zoning Regulations, on file for public inspection at the Office of the County Clerk and Recorder, Courthouse, Kalispell, Montana. Documents detailing the proposed PUD are available for public inspection at the Office of the County Clerk and Recorder, temporarily located at 1035 1st Avenue West, Third Floor, Kalispell, Montana, and on the Flathead County Planning and Zoning Office's website, at: http://flathead.mt.gov/planning_zoning/downloads.php and at the Flathead County Zoning and Planning Office, 1035 1st Avenue West, Kalispell, Montana.

MONDAY, MARCH 28, 2011
(Continued)

The public hearing will be held on the 14th day of April, 2011, at 10:15 o'clock a.m., in the Office of the Board of Commissioners of Flathead County, Courthouse, West Annex, Kalispell, Montana. At the public hearing, the Board of Commissioners will give the public an opportunity to be heard regarding the proposed PUD overlay in the Bigfork Zoning District.
