Those firms chosen for further discussions or more detailed submittals will be so notified by written letter from the Office of the Flathead County Board of Commissioners.

SCOPE OF WORK:

The person/firm selected for providing field surveying services for Flathead County will be called upon to survey County roads and other County properties at the direction of County officials.

All work will be performed in a timely manner and within statutory or policy imposed deadlines.

The persons/firms selected for providing examining surveying services for Flathead County will be required to review all requested road abandonments and to write the viewers reports and recommendation for consideration by the Flathead County Board of Commissioners; to examine and sign all of the Subdivision Plats and Certificates of Survey filed in Flathead County; and to provide other examining services that may be presented for review.

All work will be performed in a timely manner and within statutory or policy imposed deadlines.

CRITERIA OF SELECTION:

Selection of a person/firm for the provision of these services will be based upon the following criteria and each of the seven criteria must be addressed within the qualifications response submitted in order to be eligible for consideration.

1. Qualifications of the proposed professional personnel who will be assigned to the project.
2. Capability to meet time and project budget requirements.
3. Location of the office of the person/firm.
4. Present and projected workloads of the person/firm.
5. Related experience on similar projects.
6. Recent and current work for this agency (Flathead County).
7. Technical approach.

The person/firm selected to provide these services will be required to enter into a two (2) year contract.

Each person/firm submitting a proposal should also indicate whether or not they would like to be considered for the position of Assistant Examining Surveyor in the event that they are not selected for the position of Examining Surveyor.

Dated this 30th day of May, 2012.
