RESOLUTION NO. 2322E

RESOLUTION RELATING TO \$246,210.00 RURAL SPECIAL IMPROVEMENT DISTRICT BONDS
(RURAL SPECIAL IMPROVEMENT DISTRICT NO. 153); FIXING THE FORM AND DETAILS AND
PROVIDING FOR THE EXECUTION AND DELIVERY THEREOF AND SECURITY THEREFOR

BE IT RESOLVED by the Board of County Commissioners (the "Board") of Flathead County, Montana (the "County"), as follows:

Section 1. Recitals. It is hereby found, determined and declared as follows:

1.01. Resolution of Intention. This Board adopted Resolution No. 2322 (the "Resolution of Intention"), pursuant to which it declared its intention to create a rural special improvement district, designated as Rural Special Improvement District No. 153 of the County (the "District"), under Montana Code Annotated, Title 7, Chapter 12, Part 21, as amended (the "Act"), for the purpose of financing a portion of the costs of certain improvements described therein (the "Improvements") and paying costs incidental thereto, including costs associated with the sale and the security of rural special improvement district bonds drawn on the District (the "Bonds"), the creation and administration of the District, and the funding of a deposit to the County's Rural Special Improvement District Revolving Fund (the "Revolving Fund").

1.02. Creation of District. After published notice and a public hearing on Resolution No. 2322, and finding it in the best interest of the County, the Board determined to create Rural Special Improvement District No. 153 (the "District") by the adoption of Resolution No. 2322A on March 5, 2012, and order the Improvements on the terms and conditions thereafter prescribed, for the purpose of financing costs of the Improvements and paying costs incidental thereto, including costs associated with the sale and the security of rural special improvement district bonds of the County drawn on the District (the "Bonds"), the creation and administration of the District, and the funding of a deposit to the County's Rural Special Improvement District Revolving Fund (the "Revolving Fund"). The total estimated costs of the Improvements, including such incidental costs, to be financed by the Bonds are \$246,210.00. The Bonds are to be payable primarily from special assessments to be levied against property in the District, which property will be specially benefitted by the Improvements in an amount not less than \$246,210.00.

1.03. Construction Contract. Plans, specifications, maps, profiles and surveys for construction of the Improvements were prepared by the engineers acting for the County, and were thereupon examined and approved by this Board. Advertisements for bids for construction of the Improvements to the District were published in the official newspapers of the County in accordance with the provisions of Montana Code Annotated, Section 7-12-2132, after which the bids theretofore received were opened and examined. After referring the bids to the engineers for the County it was determined that the lowest regular proposals for the furnishing of all work and materials required for constructing the Improvements to the District in accordance with the approved plans and specifications were the following:

<u>Work</u>	<u>Bidder</u>	<u>RSID Cost</u>
	Paveco	\$246,210.00

Asphalt on top of a gravel sub-base on approximately 1.99 miles of Monegan Road and .35 miles of JP Road; improvements to drainage and approaches.

A Contract for the construction of the Improvements to District will be awarded to said bidder, and upon the issuance of the Bonds, the County and the successful bidder will enter into a written contract for construction of the Improvements to the District upon the bidders having executed and filed bonds satisfactory to this Board and in the form and manner provided by Montana Code Annotated, Title 18, Chapter 2, Part 2.

1.04. Costs. It is currently estimated that the costs and expenses connected with and incidental to the formation of the District to the County to be assessed against properties in the District, including costs of preparation of plans, specifications, maps, profiles, engineering superintendence and inspection, preparation of assessment rolls, expenses of making the assessments, the cost of work and materials and all other costs and expenses, including the deposit of proceeds in the Revolving Fund are \$246,210.00. Such amount will be levied and assessed upon the assessable property within the District on the basis described in the Resolution of Intention. This Board has jurisdiction and is required by law to levy and assess such amounts, to collect such special assessments and credit the same to the rural special improvement district account created for the District, which account is to be maintained on the official books and records of the County separate from all other County funds, within the Rural Special Improvement District No. 153 Sinking Fund (the "Sinking Fund") for the payment of principal and interest when due on the bonds herein authorized.

1.05. Sale and Issuance of Bonds. For the purpose of financing the costs and expenses of making the Improvements, which are to be assessed against the property within the District as provided in the Resolution of Intention and pursuant to Resolution No. 2322C, adopted June 21, 2012, this Board determined that the issuance and sale of bonds was in the best interests of the County and the District.

Advertisements for bids for the purchase of the Bonds were published in accordance with the provisions of Montana Code Annotated, Sections 7-12-2172, 7-7-4252 and 17-5-106. Pursuant to Resolution No. 2288D, adopted on July 16, 2012, this Board authorized the County to enter into a contract with Bitterroot Valley Bank, of Lolo, Montana (the "Purchaser"), as the lowest responsible bidder pursuant to which the Purchaser agreed to purchase from the County the Bonds at a purchase price of \$246,210.00, at the rate of interest of 4.90% per annum.

1.07. Recitals. All acts, conditions and things required by the Constitution and laws of the State of Montana, including Montana Code Annotated, Title 7, Chapter 12, Part 21, as amended, in order to make the Bonds valid and binding special obligations in accordance with their terms and in accordance with the terms of this resolution have been done, do exist, have happened and have been performed in regular and due form, time and manner as so required.

Section 2. The Bonds.

2.01. Principal Amount, Maturities, Denominations, Date, Interest Rates. For the purpose of paying the costs and expenses incurred in construction of the Improvements, and in anticipation of the collection of special assessments to be levied therefor, and in accordance with the proposal described in Section 1.06, the County shall forthwith issue and deliver to the Purchaser the Bonds payable solely from the Sinking Fund and denominated "Rural Special Improvement District Bonds (Rural Special Improvement District No. 153)." 2022	12,500	2032	12,000

Interest shall be calculated on the basis of a 360-day year composed of twelve 30-day months.

2.02. Interest Payment Dates. Interest on the Bonds shall be payable on each January 1 and July 1, commencing January 1, 2013, to the owners of record thereof as such appear on the bond registrar at the close of business on the fifteenth day of the immediately preceding month, whether or not such day is a business day. Upon the original delivery of the Bonds to the Purchaser and upon each subsequent transfer or exchange of a Bond pursuant to Section 2.04, the Registrar shall date each Bond as of the date of its authentication.

2.03. Method of Payment. The Bonds shall be issued in certificate form. The interest on and, upon surrender thereof at the operations center of the Registrar (as hereinafter defined), the principal of each Bond, shall be payable by check or draft drawn on the Registrar.

2.04. Registration. The County hereby appoints the Clerk and Recorder to act as registrar, transfer agent and paying agent (the "Registrar"). The County reserves the right to appoint a bank, trust company or financial institution as successor bond registrar, transfer agent or paying agent, as authorized by the Model Public Obligations Registration Act of Montana, Montana Code Annotated, Title 17, Chapter 5, Part 11, as amended (the "Registration Act"), but the County agrees to pay the reasonable and customary charges of the Registrar for the services performed. This Section 2.04 shall establish a system of registration for the Bonds as defined in the Registration Act.

The effect of registration and the rights and duties of the County and the Registrar with respect thereto shall be as follows:

(a) Bond Register. The Registrar shall keep at its principal office a bond register in which the Registrar shall provide for the registration of ownership of the Bonds and the registration of transfers and exchanges of the Bonds entitled to be registered, transferred or exchanged.

(b) Transfer. Upon surrender to the Registrar for transfer of any Bond duly endorsed by the registered owner thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the registered owner thereof or by an attorney duly authorized by the registered owner in writing, the Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Bonds of a like aggregate principal amount and maturity, as requested by the transferor. The Registrar may, however, close the books for registration of any transfer of any Bond or portion thereof selected or called for redemption. No transfer or exchange of a Bond shall affect its order of registration for purposes of redemption pursuant to Section 2.05.

(c) Exchange. Whenever any Bond is surrendered by the registered owner for exchange, the Registrar shall authenticate and deliver one or more new Bonds of a like aggregate principal amount, interest rate and maturity, as requested by the registered owner or the owner's attorney duly authorized in writing.

(d) Cancellation. All Bonds surrendered upon any transfer or exchange shall be promptly canceled by the Registrar and thereafter disposed of as directed by the County.

(e) Improper or Unauthorized Transfer. When any Bond is presented to the Registrar for transfer, the Registrar may refuse to transfer the same until it is satisfied that the endorsement on such Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

(f) Persons Deemed Owners. The County and the Registrar may treat the person in whose name any Bond is at any time registered in the bond register as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on such Bond and for all other purposes, and all such payments so made to any such registered owner or upon the owner's order shall be valid and effectual to satisfy and discharge the liability of the County upon such Bond to the extent of the sum or sums so paid.

(g) Taxes, Fees and Charges. For every transfer of Bonds or exchange of Bonds (except an exchange upon a partial redemption of a Bond), the Registrar may impose a charge upon the owner thereof sufficient to reimburse the Registrar for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange.

MONDAY, JULY 16, 2012
(Continued)

(h) Mutilated, Lost, Stolen or Destroyed Bonds. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Registrar shall deliver a new Bond of like amount, number, maturity date and tenor in exchange and substitution for and upon cancellation of any such mutilated Bond or in lieu of and in substitution for any such Bond destroyed, stolen or lost, upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Bond destroyed, stolen or lost, upon filing with the Registrar of evidence satisfactory to it that such Bond was destroyed, stolen or lost, and of the ownership thereof, and upon furnishing to the Registrar an appropriate bond or indemnity in form, substance and amount satisfactory to it, in which both the County and the Registrar shall be named as obligees. All Bonds so surrendered to the Registrar shall be canceled by it and evidence of such cancellation shall be given to the County. If the mutilated, destroyed, stolen or lost Bond has already matured or such Bond has been called for redemption in accordance with its terms, it shall not be necessary to issue a new Bond prior to payment.

2.05. Redemption.

(a) Mandatory Redemption. If on any interest payment date there will be a balance in the Sinking Fund after payment of the principal and interest due on all Bonds drawn against it, either from the prepayment of special assessments levied in the District or from the transfer of surplus money from the Construction Subaccounts to the Principal Subaccounts as provided in Section 3.02 or otherwise, the County Clerk and Recorder shall call for redemption on the interest payment date outstanding Bonds, or portions thereof, in an amount which, together with the interest thereon to the interest payment date, will equal the amount of such funds on deposit in the Sinking Fund on that date. The redemption price shall equal the amount of the principal amount of the Bonds to be redeemed plus interest accrued to the date of redemption.

(b) Optional Redemption. The Bonds maturing on and after July 1, 2018, are subject to redemption, in whole or in part, at the option of the County from sources of funds available therefor other than those described under "Mandatory Redemption," on July 1, 2017, and any date thereafter from the proceeds of refunding rural special improvement district bonds or warrants. The redemption price shall equal the principal amount of the Bonds to be redeemed plus interest accrued to the date of redemption, without premium.

(c) Selection of Bonds for Redemption; Partial Redemption. If less than all of the Bonds are to be redeemed, Bonds shall be redeemed in order of the stated maturities thereof. If less than all Bonds of a stated maturity are to be redeemed, the Bonds of such maturity shall be selected for redemption in \$1,000.00 or \$1,500.00 principal amounts (except that one bond maturing in 2016 will be in the principal amount of \$12,710.00) selected by the Registrar by lot or other manner it deems fair. Upon partial redemption of a Bond, a new Bond or Bonds will be delivered to the registered owner without charge, representing the remaining principal amount thereof outstanding.

(d) Notice and Effect of Redemption. The date of redemption and the principal amount of the Bonds shall be fixed by the County Treasurer, who shall give notice thereof to the Registrar in sufficient time for the Registrar to give notice, by first class mail, postage prepaid, or by other means required by the securities depository, to the owner or owners of such Bonds at their addresses appearing in the bond register, of the numbers of the Bonds or portions thereof to be redeemed and the date on which payment will be made, which date shall be not less than thirty (30) days after the date of mailing notice. On the date so fixed interest on the Bonds or portions thereof so redeemed shall cease.

(e) Notification to the Paying Agent. Upon request by the County under the above sections 2.05(a) and 2.05(b), the Registrar shall give notice of redemption as directed provided that the County has given the Registrar such request at least 45 days prior to the redemption date.

2.06. Form. The Bonds shall be drawn in substantially the form set forth in Exhibit A hereto, and by this reference made a part hereof, with such modifications as are permitted by the Act.

2.07. Execution, Registration and Delivery. The Bonds shall be prepared under the direction of the County Clerk and Recorder and shall be executed on behalf of the County by the signatures of the Chair of the Board of County Commissioners, the County Clerk and Recorder and the County Treasurer and sealed with the official seal of the County; provided that the signatures and the corporate seal may be printed, engraved or lithographed facsimiles of the originals. In case any officer whose signature or a facsimile of whose signature shall appear on the Bonds shall cease to be such officer before the delivery of any Bond, such signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. Notwithstanding such execution, no Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this resolution unless a certificate of authentication on such Bond has been duly executed by the manual signature of an authorized representative of the Registrar. Certificates of authentication on different Bonds need not be signed by the same representative. The executed certificate of authentication on each Bond shall be conclusive evidence that it has been authenticated and delivered under this resolution. The Bonds shall be registered in order of their serial numbers by the Registrar, as attested by the Certificate of Authentication, as of the date of delivery of the Bonds. When the Bonds have been so executed, authenticated and registered, they shall be delivered by the Registrar to the Purchaser upon payment of the purchase price in accordance with the contract of sale heretofore made and executed. The Purchaser shall not be obligated to see to the application of the purchase price, but from the proceeds of the Bonds the County Clerk and Recorder shall credit forthwith \$4,924.00 to the Revolving Fund, as required by Section 7-12-4169(2) of the Act; and the balance of such proceeds to the Construction Subaccount in the District Account, to be used solely for the purposes described in Section 3.02.

2.08. Issuance of the Bonds.

MONDAY, JULY 16, 2012
(Continued)

(a) The Bonds shall be initially issued in certificate form, and one Bond shall be issued in the principal amount of each stated maturity of the Bonds. Upon initial issuance, the ownership of such Bonds shall be registered in the Bond register in the name of Bitterroot Valley Bank, of Lolo, Montana. The Registrar and the County may treat Bitterroot Valley Bank, of Lolo, Montana as the sole and exclusive owner of the Bonds registered in its name for the purposes of payment of the principal of or interest on the Bonds, selecting the Bonds or portions thereof to be redeemed, if any, giving any notice permitted or required to be given to registered owners of Bonds under this Resolution, registering the transfer of Bonds, and for all other purposes whatsoever; and neither the Registrar nor the County shall be affected by any notice to the contrary. Neither the Registrar nor the County shall have any responsibility or obligation to any Participant, any Person claiming a beneficial ownership interest in the Bonds under or through any Participant, or any other Person which is not shown on the Bond register as being a registered owner of any Bonds, with respect to the payment of any amount with respect to the principal of or interest on the Bonds, with respect to any notice which is permitted or required to be given to owners of Bonds under this Resolution, with respect to the selection of any person to receive payment in the event of a partial redemption of the Bonds, or with respect to any consent given or other action taken the Registrar of the Bonds. So long as any Bond is registered in the name of Bitterroot Valley Bank, of Lolo, Montana, the Registrar shall pay all principal of and interest on such Bond, and shall give all notices with respect to such Bond, only to Bitterroot Valley Bank, of Lolo, Montana, and all such payments shall be valid and effective to fully satisfy and discharge the County's obligations with respect to the principal of and interest on the Bonds to the extent of the sum or sums so paid. No Person other than Bitterroot Valley Bank, of Lolo, Montana shall receive an authenticated Bond for each separate stated maturity evidencing the obligation of the County to make payments of principal and interest.

In the event that any transfer or exchange of Bonds is permitted under paragraph 2.04 (b) or (c) hereof, such transfer or exchange shall be accomplished upon receipt by the Registrar of the Bonds to be transferred or exchanged and appropriate instruments of transfer to the permitted transferee in accordance with the provisions of this resolution.

Section 3. Sinking Fund; Assessments.

3.01. Sinking Fund. There is hereby created and established the Sinking Fund designated as the "Rural Special Improvement District Sinking Fund" which shall be maintained by the County Clerk and Recorder on the books and records of the County separate and apart from all other funds of the County. Within the Sinking Fund there shall be maintained separate accounts for the District, designated accordingly (collectively, the "District Account"). Within the District Account there shall be maintained three separate subaccounts, designated as the "Construction Subaccount," "Principal Subaccount," "Interest Subaccount."

3.02. Construction Subaccount. There shall be credited to the Construction Subaccount in the District Account the proceeds of the sale of the Bonds as provided in Section 2.07. Any earnings on investment of money in a Construction Subaccount shall be retained therein. All costs and expenses of constructing the Improvements to be paid from proceeds of the Bonds in and for the benefit of a District shall be paid from time to time as incurred and allowed from the Construction Subaccount in the respective District Account in accordance with the provisions of applicable law, and money in the Construction Subaccount shall be used for no other purpose, except payment of costs of issuance and administration of the District; provided that upon completion of the Improvements in or for the benefit of a District and after all claims and expenses with respect to such Improvements and costs of issuance and District administration have been fully paid and satisfied, any money remaining in said Construction Subaccount shall be transferred to the Principal Subaccount and used to redeem Bonds as provided in Section 3.03.

3.03. Principal Subaccounts and Interest Subaccounts. Money in the Principal Subaccount and the Interest Subaccount shall be used only for payment of the principal of and interest on the Bonds as such payments become due or to redeem Bonds. From the proceeds of the Bonds, there shall be deposited in the Interest Subaccount any interest on the Bonds accrued to the date of their delivery, pro rata, in proportion to the principal amount of Bonds issued for such District as set forth in Section 1.06.

Upon collection of the installment of principal and interest due on November 30 and May 31 of each fiscal year on the special assessments to be levied with respect to the Improvements in the District, the County Clerk and Recorder shall credit to the Interest Subaccount in the respective District Account so much of said special assessments as is collected as interest payment and the balance thereof to the respective Principal Subaccount. Any installment of any special assessment paid prior to its due date with interest accrued thereon to the next succeeding interest payment date shall be credited with respect to principal and interest payments in the same manner as other assessments are credited to the District Accounts. All money in the Interest Subaccount and the Principal Subaccount shall be used first to pay interest due, and any remaining money shall be used to pay Bonds then due and, if money is available, to redeem Bonds in accordance with Section 2.05; provided that any money transferred to a Principal Subaccount from the Construction Subaccount pursuant to Section 3.02 shall be applied to redeem Bonds to the extent possible on the next interest payment date for which notice of redemption may properly be given pursuant to Section 2.05. Redemption of Bonds shall be as provided in Section 2.05, and interest shall be paid as accrued thereon to the date of redemption, in accordance with the provisions of Section 7-12-2 174 of the Act.

3.04. Loans from Revolving Fund. The Board shall annually or more often if necessary issue an order authorizing a loan or advance from the Rural Special Improvement District Revolving Fund of the County (the "Revolving Fund") to the District Account in an amount sufficient to make good any deficiency then existing in the Interest Subaccount, and shall issue an order authorizing a loan or advance from the Revolving Fund to the District Account in an amount sufficient to make good any deficiency then existing in the Principal Subaccount, in such order and in each case to the extent that money is available in the Revolving Fund. A deficiency shall be deemed to exist in a Principal Subaccount or an Interest Subaccount in a District Account if the money on deposit therein on any June 15 or December 15 (excluding amounts in the Principal Subaccount representing prepaid special assessments) is less than the amount necessary to pay Bonds due (other than upon redemption), and interest on all Bonds payable, on the next succeeding interest payment date.

(Continued)

Pursuant to a Resolution adopted on May 11, 1984, the County has undertaken and agreed to provide funds for the Revolving Fund by levying such tax or making such loan from the General Fund as authorized by Montana Code Annotated, Section 7-12-2182. In the event that the balance on hand in the Revolving Fund fifteen days prior to any date when interest is due on special improvement district bonds or warrants of the County is not sufficient to make good all deficiencies then existing in the special improvement district funds for which the County has covenanted to make loans from the Revolving Fund, the balance on hand in the Revolving Fund shall be allocated to the funds of the special improvement District in which such deficiencies then exist in proportion to the amounts of the deficiencies on the respective dates of receipt of such money, until all interest accrued on such special improvement district bonds or warrants of the County has been paid. On any date when all accrued interest on special improvement district bonds and warrants of the County payable from funds for which the County has covenanted to make loans from the Revolving Fund has been paid, any balance remaining in the Revolving Fund shall be lent or advanced to the special improvement district funds for payment and redemption of bonds to the extent the special improvement district funds are deficient for such purpose, and, if money in the Revolving Fund is insufficient therefor, pro rata, in an amount proportionate to the amount of such deficiency.

The County hereby determines, covenants and agrees to levy the property tax described in the immediately preceding paragraph to provide funds for the Revolving Fund so long as any Bonds are outstanding to the extent required under the provisions of this Resolution and the Act, even though such property tax levy may, under applicable law, require that property tax levies of the County for other purposes be reduced correspondingly. Thus, while any property tax levy to be made by the County to provide funds for the Revolving Fund is subject to levy limits under current law, the County agrees to levy property taxes to provide funds for the Revolving Fund to the extent described in this paragraph and, if necessary, to reduce other property tax levies correspondingly to meet applicable levy limits.

Section 4. Covenants. The County covenants and agrees with the owners from time to time of each of the Bonds that until all the Bonds and interest thereon are fully paid:

4.01. Compliance with Resolution. The County will hold the Sinking Fund and the Revolving Fund as trust funds, separate and apart from all of its other funds, and the County, its officers and agents, will comply with all covenants and agreements contained in this resolution. The provisions hereinabove made with respect to the Sinking Fund and the Revolving Fund are in accordance with the undertaking and agreement of the County made in connection with the public offering of the Bonds and the sale of the Bonds as set forth in Section 1.06.

4.02. Construction of Improvements. The County will do all acts and things necessary to enforce the provisions of the construction contracts and bonds referred to in Section 1.04 and to ensure the completion of the Improvements for the benefit of the District in accordance with the plans and specifications and within the time therein provided, and will pay all costs thereof promptly as incurred and allowed, out of the District Accounts and within the amount of the proceeds of the Bonds appropriated thereto.

4.03. Levy of Assessments. The County will do all acts and things necessary for the final and valid levy of special assessments upon all assessable real property within the boundaries of the District in accordance with the Constitution and laws of the State of Montana and the Constitution of the United States in an aggregate principal amount not less than \$49,310.00.

Such special assessments shall be levied on the basis or bases prescribed in the Resolution of Intention and, as authorized by Montana Code Annotated, Section 7-12-4190(2), shall be payable in equal semiannual installments of principal and interest. The unpaid installments of the assessments shall bear interest at an annual rate determined each fiscal year equal to the sum of: (i) the average annual interest rate borne by the Bonds, plus (ii) one-half of one percent (0.50%) per annum. The assessments will be payable in installments on the 30th day of November in each of years 2012 through 2031 and on the 31st day of May in the years 2013 through 2032, inclusive, if not theretofore paid, and shall become delinquent on such date unless paid in full. The payment due on any installment date shall be the amount necessary to amortize, over the 15-year term in substantially equal semiannual payments, the principal amount of the assessment, together with interest to accrue thereon over said term at the interest rate thereon; provided that the amount of each such installment shall be adjusted each fiscal year to an amount equal to the amount necessary to amortize fully the then outstanding principal amount of the assessment (excluding any delinquent amounts), plus interest accrued at the interest rate on the assessments then in effect in the number of installments then remaining until July 1, 2032. There shall be added to the first installment payment of each assessment interest on the entire assessment from the date of original registration of the Bonds to January 1, 2013. The assessments shall constitute a lien upon and against the property against which they are made and levied, which lien may be extinguished only by payment of the assessment with all penalties, costs and interest as provided in Montana Code Annotated, Section 7-12-2168. No tax deed issued with respect to any lot or parcel of land shall operate as payment of any installment of the assessment thereon which is payable after the execution of such deed, and any tax deed so issued shall convey title subject only to the lien of said future installments, as provided in Montana Code Annotated, Section 15-18-2 14.

4.04. Reassessment. If at any time and for whatever reason any special assessment or tax herein agreed to be levied is held invalid, the County and this Board, its officers and employees, will take all steps necessary to correct the same and to reassess and re-levy the same, including the ordering of work, with the same force and effect as if made at the time provided by law, ordinance or resolution relating thereto, and will reassess and re-levy the same with the same force and effect as an original levy thereof, as authorized in Montana Code Annotated, Section 7-12-2165. Any special assessment, or reassessment or re-levy shall, so far as is practicable, be levied and collected as it would have been if the first levy had been enforced including the levy and collection of any interest accrued on the first levy.

If proceeds of the Bonds, including investment income thereon, are applied to the redemption of such Bonds, as provided in Montana Code Annotated, Sections 7-12-2173 and 7-12-2174, or if refunding bonds are issued and the principal amount of the outstanding Bonds of the District is decreased or increased, the County will reduce or increase, respectively, the assessments levied in the respective District and then outstanding pro rata by the principal amount of such prepayment or the increment above or below the outstanding principal amount of bonds represented by the refunding bonds. The County and this Board, its officers and employees will reassess and re-levy such assessments, with the same effect as an original levy, in such reduced or increased amounts in accordance with the provisions of Montana Code Annotated, Sections 7-12-2158 through 7-12-2159.

MONDAY, JULY 16, 2012
(Continued)

4.05. Absence of Litigation. There is now no litigation pending or, to the best knowledge of the County, threatened questioning the validity or regularity of the creation of the District, the contracts for construction of the Improvements or the undertaking and agreement of the County to levy special assessments therefor and to make good any deficiency in the collection thereof through the levy of taxes for and the making of advances from the Revolving Fund, or the right and power of the County to issue the Bonds or in any manner questioning the existence of any condition precedent to the exercise of the County's powers in these matters. If any such litigation should be initiated or threatened, the County will forthwith notify in writing the Purchaser, and will furnish the Purchaser a copy of all documents, including pleadings, in connection with such litigation.

4.06. Waiver of Penalty and Interest. The County covenants not to waive the payment of penalty or interest on delinquent assessments levied on property in the District for costs of the improvements, unless the County determines, by resolution of the Board of County Commissioners that such waiver is in the best interest of the owners of the outstanding Bonds.

Section 5. Tax Matters.

5.01. Use of Improvements. The Improvements will be owned and operated by the County and available for use by members of the general public on a substantially equal basis. The County shall not enter into any lease, use or other agreement with any non-governmental person relating to the use of the Improvements or security for the payment of the Bonds which might cause the Bonds to be considered "private activity bonds" or "private loan bonds" within the meaning of Section 141 of the Internal Revenue Code of 1986, as amended (the "Code").

5.02. General Covenant. The County covenants and agrees with the owners from time to time of the Bonds that it will not take or permit to be taken by any of its officers, employees or agents any action which would cause the interest on the Bonds to become includable in gross income for federal income tax purposes under the Code and applicable Treasury Regulations (the "Regulations"), and covenants to take any and all actions within its powers to ensure that the interest on the Bonds will not become includable in gross income for federal income tax purposes under the Code and the Regulations.

5.03. Arbitrage Certification. The Chair of the Board, the County Clerk and Recorder and the County Treasurer, being the officers of the County charged with the responsibility for issuing the Bonds pursuant to this resolution, are authorized and directed to execute and deliver to the Purchaser a certificate in accordance with the provisions of Section 148 of the Code, and Section 1.148-2(b) of the Regulations, stating that on the basis of facts, estimates and circumstances in existence on the date of issue and delivery of the Bonds, it is reasonably expected that the proceeds of the Bonds will be used in a manner that would not cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code and the Regulations.

5.04. Arbitrage Rebate Exemption.

(a) The County hereby represents that the Bonds qualify for the exception for small governmental units to the arbitrage rebate provisions contained in Section 148(f) of the Code. Specifically, the County represents that substantially all (not less than 95%) of the proceeds of the Bonds (except for amounts to be applied to the payment of costs of issuance or representing accrued interest) will be used for local governmental activities of the County.

(b) If notwithstanding the provisions of paragraph (a) of this Section 5.04, the arbitrage rebate provisions of Section 148(f) of the Code apply to the Bonds, the County hereby covenants and agrees to make the determinations, retain records and rebate to the United States the amounts at the times and in the manner required by said Section 148(f).

5.05. Information Reporting. The County shall file with the Secretary of the Treasury, not later than November 15, 2012, a statement concerning the Bonds containing the information required by Section 149(e) of the Code.

5.06. "Qualified Tax-Exempt Obligations." Pursuant to Section 265(b)(3)(B)(ii) of the Code, the County hereby designates the Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code. The County has not designated any obligations in 2012 other than the Bonds under Section 265(b)(3). The County hereby represents that it does not anticipate that obligations bearing interest not includable in gross income for purposes of federal income taxation under Section 103 of the Code (including refunding obligations as provided in Section 265(b)(3) of the Code and including "qualified 501(c)(3) bonds" but excluding other "private activity bonds," as defined in Sections 141(a) and 145(a) of the Code) will be issued by or on behalf of the County and all "subordinate entities" of the County in 2012 in an amount greater than \$10,000,000.

Section 6. Authentication of Transcript. The officers of the County are hereby authorized and directed to furnish to the Purchaser and to bond counsel certified copies of all proceedings relating to the issuance of the Bonds and such other certificates and affidavits as may be required to show the right, power and authority of the County to issue the Bonds, and all statements contained in and shown by such instruments, including any heretofore furnished, shall constitute representations of the County as to the truth of the statements purported to be shown thereby.

Section 7. Discharge.

7.01. General. When the liability of the County on all Bonds issued under and secured by this resolution has been discharged as provided in this Section 7, all pledges, covenants and other rights granted by this resolution to the owners of such obligations shall cease.

7.02. Payment. The County may discharge its liability with reference to any Bond or installment of interest thereon which is due on any date by on or before that date depositing with the Registrar funds sufficient, or, if a County officer is the Registrar, mailing to the registered owner of such Bond a check or draft in a sum sufficient and providing proceeds available, for the payment thereof in full; or if any Bond or installment of interest thereon shall not be paid when due, the County may nevertheless discharge its liability with reference thereto by depositing with the Registrar funds sufficient, or, if a County officer is the Registrar, by mailing to the registered owner thereof a check or draft in a sum sufficient and providing proceeds available, for the payment thereof in full with interest accrued to the date of such deposit or mailing.

MONDAY, JULY 16, 2012
(Continued)

7.03. Prepayment. The County may also discharge its obligations with respect to any Bonds called for redemption on any date when they are prepayable according to their terms, by on or before that date depositing with the Registrar funds sufficient, or, if a County officer is the Registrar, mailing to the registered owner of such Bond a check or a draft in a sum sufficient and providing proceeds available, for the payment of the principal, interest and redemption premium, if any, which are then due; provided that notice of such redemption has been duly given as provided herein or irrevocably provided for.

7.04. Escrow. The County may also at any time discharge its liability in its entirety with reference to the Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow, with a bank qualified by law as an escrow agent for this purpose, cash or securities which are authorized by law to be so deposited, bearing interest payable at such times and at such rates and maturing on such dates as shall be required, without reinvestment, to provide funds sufficient to pay all principal and interest to become due on all Bonds on or before maturity or, if any Bond has been duly called for

redemption or notice of such redemption has been irrevocably provided for, on or before the designated redemption date.

Section 8. Repeals and Effective Date.

8.01. Repeal. All provisions of other Resolution and other actions and proceedings of the County and this Board that are in any way inconsistent with the terms and provisions of this resolution are repealed, amended and rescinded to the full extent necessary to give full force and effect to the provisions of this resolution.

8.02. Effective Date. This resolution shall take effect immediately upon its passage and adoption by this Board.
