Commissioner Hall made a **motion** to authorize the publication of the Notice of Public Hearing and authorize the Chairman to sign. Commissioner Watne **seconded** the motion. **Aye** - Watne, Gipe and Hall. Motion carried unanimously.

NOTICE OF PUBLIC HEARING

The Board of Commissioners of Flathead County, Montana, hereby gives notice pursuant to Section 76-2-205(1), M.C.A., that it will hold a public hearing to consider a request by Lewis Family Trust to change the zoning designation in a portion of the Echo Lake Zoning District from AG-40 (Agricultural) to SAG-5 (Suburban Agricultural).

The boundaries of the area proposed to be changed from the AG-40 classification to the SAG-5 classification are set forth on Exhibit "A".

The proposed change would generally change the character of the zoning regulations applicable to the property from a district intended to protect and preserve agricultural land for the performance of a wide range of agricultural functions and to control the scattered intrusion of uses not compatible with an agricultural environment, including but not limited to residential development, to a district intended to protect and preserve agricultural land for the performance of limited agricultural functions and to provide a buffer between urban and unlimited agricultural uses, encouraging concentration of such uses in areas where potential friction of uses will be minimized. The AG-40 classification has a minimum lot size of 40 acres; a change to SAG-5 would result in a minimum lot size of 5 acres.

The regulations defining the AG-40 and SAG-5 Zones requirements are contained in the Flathead County Zoning Regulations, on file for public inspection at the Office of the County Clerk and Recorder, Courthouse, Kalispell, Montana, in Permanent File No. 93270 13500.

The public hearing will be held on the **13th day of July, 2004, at 10:00 o'clock a.m.,** in the Office of the Board of Commissioners of Flathead County, Courthouse, West Annex, Kalispell, Montana. At the public hearing, the Board of Commissioners will give the public an opportunity to be heard regarding the proposed change in the regulations for the described portion of the Echo Lake Zoning District.
