

**Bigfork Steering Committee
Executive Officers
November 10, 2005**

Present: Shelley Gonzales, Doug Averill, Elna Darrow, Don Loranger, Buz Meyer, Sue Hanson 11:00 AM
Flathead Lake Lodge.

Presentations at community meetings: It was agreed that all presentations of the Survey and future planning presentations be given and have oversight by a member of the executive committee.

Correspondence by the Steering Committee: It was agreed that all correspondence initiated by the Steering Committee and sub-committees be signed by a member of the Steering Committee executive board.

Purpose Statement: Adopt a Purpose Statement as follows:

Develop an amended Bigfork Land Use Plan designated to improve the present health, safety, convenience and welfare of area residents and provide for the future development in the Bigfork Zoning District. At a minimum, the plan must include detailed zoning recommendations and address current and future needs in the following areas: infrastructure (roads/water/sewer/power); residential; business; agricultural; public facilities; environmental; cultural; industrial.

Elna requested we add "parks & recreation" with environmental.

Sub-Committee organization: Loranger appointed Shelley Gonzales to chair the various sub-committees to study information to be included in the Bigfork Land Use Plan document to be presented to the Planning Office. It was agreed that executive board members serve as oversight on the various committees.

BDC: Paul Mutascio has requested a presentation of the Survey Results be made to the BDC.

Sue Hanson,
Secretary
