

BLUAC Steering Committee  
August 11, 2005 Minutes

Meeting was called to order by Treasurer, Gonzales at 12:10 PM. There were no minutes available for the August 4, 2005 meeting. Maggie Doherty will forward those notes to the Secretary, absent from that meeting, for typing and distribution to members.

**Old Business:**

Shelley Gonzales reported \$2,338.15 in the bank.

Craig Wagner reported that the storage boxes were available to contain survey tallies, memory sticks and surveys returned undeliverable. Boxes will be delivered to the Flathead County Records facility as soon as possible for safekeeping. Craig also suggested that any audit requested be completed by a CPA firm.

Sue Hanson reported that Don Loranger will need another two weeks to complete the analysis document. This will require a revision of the timeline to accommodate the two-week period for BLUAC review and two week public notice before the public meeting.

Shelley Gonzales and Sue Hanson will prepare a sheet for handout at public meetings that will outline all the procedures used in the survey process. Sue will also call the Flathead County Planning office to find out the county's timeline for completion and county review of the Bigfork area growth plan. A copy of the timeline should accompany the report to BLUAC.

Hanson will also verify with Loranger when data on volunteer computers may be deleted.

Meeting was adjourned at 1:40 PM
