Frequently Asked Questions

Do I need assistance?

Representation from a firm familiar with the process is not required, however it can make the process smoother.

Will neighborhood objection stop a text amendment?

Zoning text amendments are objectively evaluated. The nature of the request and the nature of the area will affect the outcome. This is part of the reason that a pre-application conference is recommended.

Will I have to speak at a public meeting?

You are not required to, however, the applicant is always given the opportunity. If the text amendment involves multiple owners, a single person comfortable in public speaking may choose to represent the group. Alternately, a firm can represent your interests.
