There is currently one vacancy for a member who is to be appointed by the mayor upon the designation by the county commissioners of the county in which the city is located.

This representative may be a member of the board of county commissioners or an officeholder or employee of the county. The mayor may not reject or refuse to appoint to the city planning board a representative designated by a board of county commissioners as provided in Section 76-1-223 MCA; but if the county fails to designate a representative, then the mayor may appoint as a representative of the county a person of the mayor's own choosing and at the mayor's sole discretion.
