Dear Home School Parents:

You have made an important decision and a strong commitment to your child (children). Montana Law (§20-5-109), allowing for compulsory school enrollment **exemption**, accommodates this family choice.

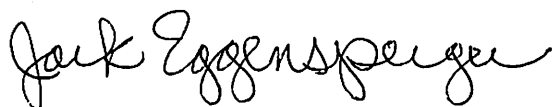

Many resources are available to home educators. Our office can assist you with contacts. Pertinent laws are included in this packet. Please read them carefully and let us know if you have any questions.

Your commitment to your child (children) includes an “organized course of study” required by law (MCA §20-5-109 [4]). In case of future entrance (or re-entrance) into a public school, elementary home school students are usually tested by the district for appropriate placement. The high schools in this region expect that a student has been following a fully accredited off-site educational program. Each high school has its own approach to accepting credits, so please **contact the high school counseling staff of your district to align your home school program or contact us for referral**. You may also refer to the Montana Office of Public Instruction website ([www.opi.state.mt.us](http://www.opi.state.mt.us)), which has numerous resources including the “Montana Content Standards” and a “Get Answers” tab to help you. An organized course of study is essential not only to enter public education, but to enter many colleges and universities or to join the military. Working together for the common good of each child is what we all want.

As a home school you are eligible to participate in federally-funded education programs. Your resident school district will notify you each spring of the offerings. Please sign the form and return to the resident district even if you do **NOT** wish to participate. There is a box to designate that.

The mandatory information you need to provide to this office is (1) a written notice of intent to home school which must be submitted at the beginning of **EACH SCHOOL YEAR**; (2) immunization records if this is the first year of home schooling or if there has been a change; and (3) an attendance report submitted each semester or yearly. Again, forms are included for your convenience **OR** you may use other written means to provide the information. Thank you and have a good year.

Sincerely,

*Jack Eggenberger*

# MONTANA HOME SCHOOL INFORMATION

**Introduction.** The Montana Office of Public Instruction receives dozens of calls each year from people with questions about home schooling. Many of those calling request that OPI provide a summary of Montana law pertaining to home schooling. This document outlines key statutes regarding private/nonpublic/home schools in Montana. Attached to this document is the full text of statutes (Montana Code Annotated Chapter 20—MCA) and administrative rules (Administrative Rules of Montana—ARM Chapter 55, Sub-chapter 9) that may be of interest to those with questions about home schooling. The statutes that follow may also be found in the 2017 MCA and have been in effect for many years. This packet of information is not provided as a complete analysis of the issue, nor is it intended as legal advice.

The following information is attached:

- Montana statutes relating to home schooling
- Montana School Accreditation Standards (as found in ARM) that identify basic education programs for elementary, middle school, and high school, including graduation.
