

HHVFD Board Meeting Notes

October 17, 2022

Meeting called to order by Sarah at 7:07pm.

Board attendees: JR, Amanda, Sarah, Trudy

Board absentees: Tom

Chiefs Report-

5 Calls for service in September.

We did an overnight at lemonade fire. We are now hosting community meetings and they are going well. Started an adopt a fire hydrant in the community for people to care for hydrant close to their homes.

VFW Progress-

JR tore back of building off of VFW. White tin was sold for what we paid. Thanks to

Leroy Brush for making that happen. Need new doors and all framework for door.

Canyon Kids Christmas fund is willing to donate \$3500.00 towards heat in VFW. Need to check in on whether to use gas or electric heaters. Need to look into insurance coverage to see what types of events we can use building for.

Expenses-

Got people outfitted in turnouts. Found them cheaper at Maghee's.

Amendments to rules for Firehouse-

Discussed whether we should allow fire arms in the fire house or on calls. We will look into other policies and discuss further at next meeting.

Also discussed volunteers using emergency lights in their own vehicles. Would like to look into other department policies on this. Not allowing sirens!

Meeting called to close at 8:14pm by JR, Amanda Seconds.
