

Trustee Meeting June 13, 2016
Meeting at 5:00 pm in Olney Fire Hall

Present: Vince Marks, Keith Kastner, Dodie Therrien, Fire Chief Ken Morehead, Norma McBroom came a little late.

Keith made motion to approve agenda
Vince 2nd; Vote: all in favor, passed.

Keith made motion to approve minutes as read.
Chief 2nd: Vote: all in favor, Passed.

Chief has met with commissioner Mike Pence as well as Lincoln Chute. So as to not get the funds mixed up.....we need to apply for a **501 C** account. This will take care of Mothers Day, Halloween and X-mas, any fundraisers we have. When we have a fundraiser, that money would go in the 501 C account. We will have to do quarterly reports.

We also need to have the ambulance separated . Chief signed a paper with the Office of Emergency Services - the balance of the ambulance balance to date is \$3404.00

The same old question: why are our property taxes so high? Our census used to be 550 people. Now it is 425. Over the previous years, the trustees would add \$500 to \$1000 per line in the budget.

Wildland fires....we hopefully can contract people out to work the fires.

We have worked on the budget....commissioners will change it.

When the truck that sits outside was filled up the other day, the tank was totally empty. It appears that gas has been stolen.

Do we need a locking gas cap?

Keith made motion to adjourn 6:35 pm
