Narrative/Discussion:

1. We received a total of \$7,417.10 from payments through Pintler Billing during March. This total includes insurance, Medicare, Medicaid, and patient payments. Patient adjustments were \$5,558.88 for March. We billed \$16,208.20 during the month of March. We currently have \$32,441.96 in A/R. This includes insurance, Medicare, Medicaid, and patient responsibilities. This amount does not include our patient accounts that have been sent to collections.
2. We have \$36,661.24 currently active in collections.
3. We have 2 past due patient accounts from Pintler asking if we want to pursue with collections or write off.
 - a. PCR 2019-524: We have received \$972.60 of the \$1,237.60 of the invoiced total. This leaves a balance of \$265.00 that is the patient's responsibility and we have not received payment on the \$265.00 portion.
 - b. PCR 2020-13: Invoice total is \$1,687.10. The patient does not have any medical insurance and we have not received any payment from the patient. Recommend sending to collections.
4. EMR class has been postponed. We hope to resume as soon as the stay at home order has been lifted.
5. Grants:
 - Town Pump Volunteer Ambulance & EMT Service Grant to acquire a new LifePak 15 cardiac monitor to replace the non-complaint Zoll M Series has been submitted.
 - MDT grant will open May 1st. We will be submitting a grant for new ambulance to replace Medic 922 (red bus). There is a 10% grant matching fee with this grant.
