- **Chiefs Report cont.:**
- **Wildland update:** Tender made just over \$2000.00. We had other opportunities however with the funeral at the beginning of August and the lack of personnel towards the end of the month we were unable to send any more apparatus the were wanting Engines instead of tenders this year.
- Rescue 61 is in service now and will get graphics soon. The suburban is now 2352.
61 needs power in the back and a heater. We will leave 2381 will stay at the hall instead of going to the county shop.

	7210	7247
	26.75	29.84

- **Grants/Other Income:**

Building Update: quote for doing building in steel is 89k for shell, siding and insulation. Wood is 32k plus wood and siding. We will be building with wood. Soil test hole will be dug in the next week or so. Sign is going to be stapled to wood so it doesn't blow away.

Unfinished Business: Treweek motions that the Fire District get a credit card from Glacier Bank with a card for Chief as well as Asst. Chief. For the amount of \$5000.00 for each card or \$15,000.00 total

Signers for these cards will be Laurie Crabtree and RG Dicky from the board

Christopher Yerkes the Fire Chief

Arther Bielz the Asst Chief

A total of 3 cards

L Crabtree seconds motion passes.

New Business: Need Winch for 2351

For the good of the Department:
