

FLATHEAD REGIONAL WASTEWATER MANAGEMENT GROUP
AGENDA

JUNE 8, 2010

11:00 A.M. – 2:00 P.M.

MEET AT THE
EARL BENNETT BUILDING
KALISPELL, MONTANA

- 10:45-11:00 Load the bus for our first destination, Whitefish wastewater drying beds. Located off of Dillon road in Whitefish.
- 12:00 -1:00 Second stop is the Kalispell wastewater facility to observe the sludge belt filter presses for dewatering. Located off Airport road south of Kalispell.
- 1:00-2:00 Third stop is Bigfork's disposal site. A site that is located off of Montana Hwy. 82 on 317 farmed acres where their sludge is disposed through subsurface injection.

Members, plan on meeting here around 10:45 a.m. to load the bus for our three hour tour. We will provide bag lunches. Non-members are welcome to tag along; unfortunately, you will have to provide your transportation.

Confirm Next Meeting – July 13, 2010 from 11 a.m. To 1 p.m. (Tentatively set at the June meeting)
